

PLEASE READ... FEBRUARY 11, 2021 BETHANY MANOR UPDATE REGARDING VACCINATIONS

You are receiving this communication because you are a resident of Bethany, or you have provided, and/or a Bethany resident(s) has provided your email address as they have identified you as their family/friend contact person.

We're passing on news from the Saskatchewan Health Authority (SHA) below:

People 70+ living independently in the community will receive information on COVID-19 vaccination appointments in their area through direct contact by phone or letter, whenever possible. There is no signup sheet or need to call the SHA at this time.

Please remember that Phase 1 of the COVID-19 vaccine roll-out will continue to spring 2021. Everyone who wants a COVID-19 vaccine immunization will be offered one eventually. Thank you for your continued patience.

We had sent a request to vaccination authorities to please consider having vaccinations for our residents onsite but that does not appear to be the direction they're going.
