

PLEASE READ... FEBRUARY 26, 2021 BETHANY MANOR UPDATE REGARDING EXCITING NEWS ABOUT VACCINATIONS

You are receiving this communication because you are a resident of Bethany, or you have provided, and/or a Bethany resident(s) has provided your email address as they have identified you as their family/friend contact person.

We have received exciting news from representatives of the Saskatchewan Health Authority (SHA) that they will be providing vaccinations to Bethany residents on our site as early as next week.

They need to know how many vaccination doses to prepare for. They don't want to waste any. We know our total number of residents at any given point in time. What we don't know is how many residents may choose not to get vaccinated.

Therefore, if you are NOT interested in a vaccination you MUST CALL our office at 306-242-9019 (8:00 a.m. to 4:30 p.m. Monday-Friday) **as soon as possible.** I strongly encourage all residents to be vaccinated so that our community can be as safe as possible.

Please do NOT call the office to say that you want the vaccination; only call if you DON'T want it.

At this point we are anticipating that all residents who wish to be vaccinated will qualify however it has not been finalized if residents who are 69 or younger will qualify. For your information Bethany Villa personal care residents have already been vaccinated.
