

PLEASE READ... June 16, 2021 BETHANY MANOR UPDATE REGARDING DELIVERIES TO RESIDENTS, INCLUDING FATHER'S DAY

You are receiving this communication because you are a resident of Bethany, or you have provided, and/or a Bethany resident(s) has provided your email address as they have identified you as their family/friend contact person.

With the second step in the provincial government's Re-opening Roadmap occurring on June 20th we wish to advise that in line with that step, we will begin to allow **delivery personnel** to deliver directly to resident suites again effective that date as well.

Therefore, **starting on June 20th** pharmacy deliveries, flower arrangements, Amazon packages, etc. that are delivered by third party delivery personnel, no longer need to be directed to the Bethany main office for staff to deliver to the resident's suite or require the resident to meet the delivery person at the building entrance to collect the package there.

With Father's Day coming up on June 20th as well, we are still happy to assist with any deliveries to your family member(s) living in Bethany if they arrive **on or before Friday, June 18th by no later than 3:00 p.m.** (however, preferably in the morning) or else staff may not have time to facilitate all deliveries prior to the end of the workday. We are not able to accept deliveries after-hours/on weekends.

Family members are able to make deliveries directly to resident suites as well.

As the Bethany Court townhouses are contained units with separate/individual entries, deliveries can be made directly to those specific addresses. Staff will not be able to assist with deliveries to the Court.

For residents with a StarPhoenix subscription – starting **Monday, June 21st** the StarPhoenix will no longer be delivered to lobbies for pick up by residents; instead, the StarPhoenix delivery person is authorized to take papers directly to resident apartments again.

As always, we thank you for your ongoing support. We ask that you please share this information with your family and friends.
