

**PLEASE READ... September 23, 2021, BETHANY MANOR UPDATE REGARDING COVID-19 CASE ONSITE**

---

You are receiving this communication because you are a resident of Bethany, or you have provided, and/or a Bethany resident(s) has provided your email address as they have identified you as their family/friend contact person.

We have been informed by a resident that they have tested positive for the COVID-19 virus. The case is in the Tower building. In consultation with health authorities this person is following their directives and will remain in self-isolation until this coming Monday, September 27. They will not leave their suite.

You are receiving this information because we had committed to doing this should we become informed of cases.

Given the prevalence of fully vaccinated residents in our complex we are not being advised to enact the common area restrictions that we did prior to the availability of vaccines.

We continue to ask that you exercise caution in your connections and in the honouring of COVID safety protocols.

The public health order for mask wearing in indoor public spaces remains in effect.
