

**PLEASE READ... October 12, 2021, BETHANY MANOR UPDATE REGARDING
MOBILE COVID-19 TESTING ON THURSDAY OCTOBER 14, 2021**

You are receiving this communication because you are a resident of Bethany, or you have provided, and/or a Bethany resident(s) has provided your email address as they have identified you as their family/friend contact person.

The Saskatchewan Health Authority (SHA) is making mobile testing available onsite for Bethany residents this Thursday, October 14, 2021. TESTING PERSONNEL WILL COME TO INDIVIDUAL SUITES.

IF YOU WANT TO BE TESTED complete a consent form and have it back in the office by 10:00 a.m. on Wednesday morning, October 13, 2021. Consent forms are available on the shelf beside the main office door at the 110 La Ronge Rd lobby.

We strongly recommend that anyone experiencing COVID symptoms take advantage of this testing, but it is open to all Bethany residents.

We will inform those consenting of approximate time frames when testing personnel will be in their building.

If you are opting out of this COVID testing, you don't need to do anything.

We continue to ask that you exercise caution in your connections and in the honouring of COVID safety protocols including hand hygiene and social distancing. We continue to permit only essential visitors until further notice. For your information, residents are not locked into their building, but we advise extra caution if you choose to leave the complex. The public health order for mask wearing in indoor public spaces remains in effect for all individuals (please wear masks properly, for example, don't pull your mask down when you're speaking to someone).

We have been informed of 10 positive cases since September 23, 2021 (8 in Manor Phase 2 and 2 in the Tower). SHA has labelled our situation as a Suspect Outbreak, and we have been allocated a case number (SKHR-2021-834). If any Bethany residents are getting tested offsite independently, please indicate this case number so that efforts can be coordinated.

If you have any COVID symptoms, please call 811 and stay out of public circulation.

Thanks for your cooperation.
