NOVEMBER 8, 2021 BETHANY MANOR UPDATE REGARDING BOOSTER SHOTS OR 1ST & 2ND DOSES ON NOVEMBER 29, 2021

You are receiving this communication because you are a resident of Bethany, or you have provided, and/or a Bethany resident(s) has provided your email address as they have identified you as their family/friend contact person.

The Saskatchewan Health Authority (SHA) has approved our request for a mobile/onsite BOOSTER SHOT COVID-19 vaccination clinic at Bethany Manor. This will take place on **Monday, NOVEMBER 29, 2021, in our Fellowship Centre.**

The booster shots (3rd dose) are for residents and staff who are 65 or older in age and have had their 2nd dose at least 6 months ago. (Our May 27 clinic, where most of you got your 2nd dose will be 6 months and 2 days from November 29). **The booster shot is the same as the 1st or 2nd dose, therefore SHA is happy to vaccinate any residents who want their 1st or 2nd dose.**

PLEASE READ CAREFULLY so that SHA can bring the correct number of vaccines:

- **If you are 65 or older and it's been at least 6 months since your 2nd dose, or you want your 1st or 2nd dose and you plan to participate you don't need to do anything.**
- **If you are 65 or older and will NOT be participating, for whatever reason, please let the office know via note, email, or phone call by Wednesday, November 24 at noon. This would include any of you who have not yet waited 6 months since your 2nd dose.**
- **If you are a resident who is under 65 and want to have your 1st or 2nd dose, please let us know. Otherwise, we will assume that anyone under 65 will not be participating.**

More clinic details will follow on Thursday, November 25, 2021.
