You are receiving this communication because you are a resident of Bethany, or you have provided, and/or a Bethany resident(s) has provided your email address as they have identified you as their family/friend contact person.

The Saskatchewan Health Authority (SHA) has advised us today that they need to **cancel our Monday, November 29 mobile COVID booster clinic, due to their emphasis on getting kids aged 5-11 vaccinated.** They will seek to reschedule with Bethany Manor in *December*. They apologize for any inconvenience.

Residents are certainly free to pursue their 1st, 2nd or 3rd doses with options available at your pharmacy or other venues.

We will inform you when a new mobile clinic date is confirmed for Bethany Manor.
